

DAY TWO | Monday 12 July 2021

8.00 am REGISTRATION																
SESSION 4 (8.00am - 9.00am)																
8.00am - 9.00am BREAKFAST SEMINARS and ADVANCED PRACTITIONER BREAKFAST																
SESSION 5 (9.00am - 10.30am)																
9.00am - 10.00am OPENING CEREMONY AND LECTURE IN HONOUR																
10.30am - 11.00am MORNING TEA																
Rapid Fire Presentations Education Hub	7	Investigating the relationship between anthocyanin intake and indices of memory and cognition in older adults with Mild Cognitive Impairment: A cross-sectional analysis <i>Maziar Yousefi, Blue Sky Health; Karen Charlton,</i>	14	Salted vs unsalted, Roasted vs raw – is it time to reconsider nuts?	17	Effectiveness of an exercise training and healthy eating group program (ATHENA) for overweight women with urinary incontinence Lynda Ross, Queensland University of Technology and Griffith University; Zara Howard, Gold Coast Hospital and Health Service; Shelley Roberts, Griffith University and Gold Coast Health; Leanne Smith, Gold Coast Hospital and Health Service; Nadine Baker, Gold Coast Hospital and Health Service; Kelly Weir, Griffith University and Gold Coast Hospital and Health Service; Jennifer Nucifora, Gold Coast Hospital and Health Service; Heidi Townsend	20	Examining Barriers to Attendance at Postnatal Gestational Diabetes Mellitus (GDM) Dietetic Services Kit Ling Chu, Queensland University of Technology (QUT); Susan de Jersey, ; Smita Nambiar-Mann, Queensland University of Technology; Emily Gill, QUT Health Clinics; Taylor Guthrie, Royal Brisbane and Womens Hospital								
SESSION 6 (11.00am - 12.30pm)																
11.00am - 12.30pm TRANSFORM PLENARY																
12.30pm - 1.30pm LUNCH																
Rapid Fire Presentations Education Hub	21	Optimal frequency of individualised nutrition counselling in patients with head and neck cancer receiving radiotherapy: a systematic review <i>Liana Tunzi, University of Queensland; Judy Bauer, University of Queensland/DAA; Teresa Brown, ; Merran Findlay,</i>	47	Parenteral Nutrition - Let's Consider the Liver Georgia Moore, Eastern Health; Lina Breik, Eastern Health / Tube Dietitian; Graeme Duke, Eastern Health; Stephanie Hunter, 8 Alrnold Street	54	The ability of malnutrition screening and assessment tools to identify computed tomography defined low muscle mass in colorectal cancer surgery: an exploratory study. Irene Deftereos, Western Health/ University of Melbourne; Aleksandra Djordjevic, Western Health; Justin Yeung, The University of Melbourne; Nicole Kiss, Deakin University; Vanessa Carter, Western Health; Stephanie Morris, Western Health	55	Early post-operative feeding following surgery for upper gastrointestinal cancer: a systematic review. Nicole Kiss, Deakin University; Lauren Carmichael, Deakin University; Rose Rocca, Peter MacCallum Cancer Centre; Erin Laing, Peter MacCallum Cancer Centre; Phoebe Ashford, Deakin University; Jesse Collins, Deakin University; Luke Jackson, Deakin University; Lauren McPherson, Deakin University; Brydie Perndergast, Deakin University								
	79	No control & overwhelming cravings: Australian adults' perspectives on the experience of food addiction	30	Evolution of a Karen refugee supermarket tour: a Pilot model	91	Workshop-style learning improves quality of SMART goals in the clinical setting Joanne McKinstry, Monash Health	96	Operationalising remote Nutrition and Dietetics services within a tertiary teaching hospital Angela Vivanti, Princess Alexandra Hospital; Eryn Murray, Princess Alexandra Hospital; Ra'eesa Doola, Princess Alexandra Hospital; University of Queensland; Jan Hill								
	66	Exploring patients' mid-meal snack intake and their perceptions of the service: A cross-sectional observational study <i>Amanda Corneal, Queensland Health; Fiona Pelly, University of the Sunshine Coast; Judith Tweedie, University of the Sunshine Coast; Susan Tench, Townsville Hospital and Health Service; Gai Moritz, Queensland Health</i>	85	Nutritional Implications of Pelvic Radiotherapy in Patients with Gynaecological Cancers: A Retrospective Observational Study Emilie Croisier, Royal Brisbane and Women's Hospital; University of Queensland; Judy Bauer, University of Queensland/DAA; Teresa Brown, ; Philip Chan, Royal Brisbane and Women's Hospital; Alice Grigg, RBWH; Jeffrey Goh, Royal Brisbane and Women's Hospital; Alana Morrissy, UQ												
SESSION 7 (1.30pm - 3.00pm)																
CONCURRENTS																
1.30pm - 1.40pm		TRANSFORM SYMPOSIUM		FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, Univeristy of Queensland; Soumya Kumar Kuthadi, Diet Yumm	5	Tackling malnutrition in hospitals: have we forgotten about older people admitted to mental health wards? Kate Flint, Solutions with Food; Kylie Matthews-Rensch, QLD Health; Adrienne Young, Royal Brisbane and Women's Hospital	170	Meta-analysis reveals higher intake of fruit and vegetables is protective against depression in older adults Annabel Matison, UNSW; Simone Reppermund, UNSW; Vicki Flood, Sydney School of Health Sciences, Faculty of Medicine and Health, University of Sydney; ; Karen Mather, UNSW	72	Burnout levels among dietitians working in a large Australian metropolitan hospital Greta Hollis, The Prince Charles Hospital; Karen Atkinson; Jack Bell,
		TRANSFORM SYMPOSIUM		FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management	39	Development of a new tool to monitor and identify inadequate oral intake in hospital	176	Associations between total, fermented and non-fermented dairy intake and depression outcomes in middle-aged Finnish males	136	Optimising the role of Nutrition Allied Health Assistants (AHAs)

1.40pm - 1.50pm					Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	Adrienne Young, Royal Brisbane and Women's Hospital; Jerrold Tan, Queensland University of Technology; Ka Man Lau, Queensland University of Technology; Lynda Ross, Queensland University of Technology and Griffith University; Jessica Kinneally, RBWH; Pelecanos Anita, QIMR Berghofer; Marilyn Banks	Meghan Hockey, Deakin University; Tetyana Rocks, Deakin University; Erin Hoare, Food & Mood Centre, IMPACT Institute, School of Medicine, Faculty of Health, Deakin University; Anu Ruusunen, Food & Mood Centre, IMPACT Institute, School of Medicine, Faculty of Health, Deakin University; Mohammadreza Mohebbi, Biostatistics unit, Faculty of Health, Deakin University; Tommi Tolmunen,	Joanne McKinstry, Monash Health; Karen McDougall; Rubina Raja, Monash Health (Monash Medical Centre); Emily Reibel, Monash Health; Jennifer Sequeira, Monash Health; Raisa Shaikh, Monash Health				
1.50pm - 2.00pm	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management	41	Meal Selection Trends of Patients on Room Service	182	Dietary and quality-of-life outcomes of a personality targeted intervention for addictive overeating: FoodFix	45	Why we need to transform the presentation of dietitians on the Internet
				Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	Mui Siew Tan, Queensland University of Technology; Bianca Neaves, The Prince Charles Hospital; Jennifer Hall; Alice Doring, The Prince Charles Hospital	Rebecca Collins, University of Newcastle; Kirsti Haracz, The University of Newcastle; Megan Rollo, University of Newcastle; Mark Leary, The University of Newcastle; Caroline Davis, York University; Tracy Burrows,					Judi Porter, Deakin University; Jorja Collins, Eastern Health	
2.00pm - 2.10pm	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management	70	Automated Meal Compliance Using Deep Learning Techniques for Individualised Hospital Catering – Pilot Study	61	The relationships between online social networks, fad diets and mental health	114	A systematic scoping review of the trends, challenges, opportunities and future needs of the dietetic workforce
				Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	Andrew Slattery, Canberra Health Services; Nenad Naumovski, University of Canberra; Jiaxiang Mao, University of Canberra; Jane Kellest, University of Canberra; Wanli Ma, University of Canberra; Dat Tran, University of Canberra; Elisa Martinez-Marroquin, University of Canberra	Melissa Eaton, University of Wollongong; Yasmine Probst,					Merran Blair, Monash University; Claire Palermo; Simone Gibson, Monash University; Lana Mitchell, Griffith University	
2.10pm - 2.20pm	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management	71	Lessons from the pandemic: Exploring how Victorian hospital foodservices have responded to Covid-19	76	CAN HOSPITALISED EATING DISORDER PATIENTS BE MANAGED ON ORAL INTAKE WITHOUT THE EVENT OF HYPOGLYCAEMIA	241	A bibliographic analysis of top-tier published nutrition and dietetics research in 1998 and 2018
				Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	Chloe Ho Yee Leung, Monash University; Yuen Ching Li, Monash University; Jorja Collins, Eastern Health	Cassandra Bendall, Eastern Health; Cara Brockbank, Eastern Health; Shyharini Abeysinghe, Eastern Health					Serene Yoong, Swinburne University of Technology	
2.20pm - 2.30pm	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management	73	Development and implementation of a pictorial hospital food menu	168	Influence of patient characteristics on clinicians' decision to involve dietitians in eating disorder treatment	11	Edu-tainment: using evidence-based practice to develop a nutrition podcast.
				Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	Claire Matthews, Cabrini Health; Nadine Lawson, Cabrini Health; Sarah Coletti, Cabrini Health	Caitlin McMaster, University of Sydney; Tracey Wade, Flinders University; Janet Franklin, Metabolism & Obesity Service, Royal Prince Alfred Hospital; Glenn Waller, University of Sheffield; Susan Hart					Lauren Atkins, OnCore Nutrition; Elise Den, OnCore Nutrition	
	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management	140	Exploring patient and staff perspectives on mealtime experience and their preferences for providing feedback.	169	Improving weight bias internalisation and disordered eating in young women – The everyBODY study	75	Can quality improvement strategies effectively enhance primary care dietetic practice? A systematic review and meta-analysis

2.30pm - 2.40pm					Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	Isabella Cameron, Swinburne University of Technology; Molly Vallance, Swinburne University of Technology; Samantha King, Austin Health; Annie-Claude Lassemillante, Swinburne University of Technology; Chloe Vadeloo, Swinburne University of Technology	Isabel Young, University of Sydney; Helen Parker, University of Sydney; Natalie Crino, Westmead Hospital; Kate Steinbeck, University of Sydney; Helen O'Connor, University of Sydney	Amy Kirkegaard, Griffith University; Lauren Ball, Griffith University; Lana Mitchell, Griffith University; Bryce Brickley, Griffith University; Lauren Williams, Griffith University					
2.40pm - 2.50pm	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	166	Novel insights into transforming food service at Austin Health to improve patient mealtime experience. Melissa Rubin, Swinburne University of Technology; Bestin Bijo, Swinburne University; Mansha Diggpaal-Ghose, Swinburne University of Technology; Annie-Claude Lassemillante, Swinburne University of Technology; Samantha King, Austin Health; Gabriella Inguanti, Swinburne University of Technology; Natasha Smith, Swinburne University of Technology; Isabella Davis, Swinburne University of Technology; Jordana Flude, Swinburne University of Technology; Katherine Desneves, Austin Health	86	COMPARING THE PREVALENCE OF ORTHOREXIA NERVOSA IN IRRITABLE BOWEL SYNDROME, EATING DISORDERS AND HEALTHY CONTROLS Caroline Tuck, La Trobe University; Nessmah Sultan, La Trobe University; Matilda Tonkovic, La Trobe University; Jessica Biesiekierski, La Trobe University	196	Are health services ready for technology-supported models of nutrition care? Perspectives of health service providers Amandine Barnett, Griffith University; Jaimon Kelly, Griffith University; Charlene Wright, Menzies Health Institute Queensland and School of Medicine, Centre of Applied Health Economics, Griffith University; Katrina Campbell, Metro North Hospital and Health Service	
2.50pm - 3.00pm	TRANSFORM SYMPOSIUM	FOOD AND ENVIRONMENT SEMINAR	267	Leveraging digital nutrition solutions to improve patient care: how dietitians can lead digital health innovation Shelley Roberts, Griffith University and Gold Coast Health; Jaimon Kelly, Griffith University; Sally McCray, Mater Health; Lauren Ball, Griffith University; Lauren Williams, Griffith University; Peter Clark, Healthier You Pty Ltd; Peter Collins, Mater Health	252	Dietary Management Of Gut Disorders – Translating Research Evidence From Around The World To Australia CK Yao, Alfred Health & Monash University; Caroline Tuck, La Trobe University; Jessica Biesiekierski, La Trobe University; Heidi Staudacher, ; Marina Iacovou, Hudson Institute of Medical Research	256	Metabolic Diseases Associated with South Asians Living In Australia(MASALA): Introduction to Diet and Lifestyle Management Purva Gulyani, Diet Yumm; Anoop Misra, Fortis Centre for Diabetes, Obesity and Cholesterol Hospital; Sabrina Gupta, La Trobe University; Preetha Thomas, University of Queensland; Soumya Kumar Kuthadi, Diet Yumm	248	Serving up healthy, high-quality and local food in public hospitals and aged care services Veronica Graham, Department of Health; Neville Kelly, Department of Health	102	Validation of eating disorder screening questionnaires in adolescents and adults with overweight and obesity Eve House, The Children's Hospital at Westmead; Natalie Lister, The University of Sydney, The Children's Hospital at Westmead; Hiba Jebile, The University of Sydney, Children's Hospital Westmead Clinical School; Wee Yee Ong, University of Sydney; Haozhen Li, University of Sydney			
3.00pm - 3.30pm	AFTERNOON TEA														
Rapid Fire Presentations Education Hub	97	Dietitians' experiences working in the treatment of eating disorders: an integrative review <i>Alana Heafala, Griffith University; Lauren Ball, Griffith University; Lana Mitchell, Griffith University; Jessica Rayner, Griffith University</i>		100	Diet quality of Australians aged 55 and over living with rheumatoid conditions: a case-control study		111	Dietitians as partners in promoting sustainable Australian seafood Nicole Senior, Professional Nutrition Services		126	Evidence use in the development of the Australian Dietary Guidelines Kate Wingrove, Deakin University; Mark Lawrence, Deakin University; Cherie Russell, Deakin University; Sarah McNaughton, Nutrition Australia				
SESSION 8 (3.30pm - 5.00pm)															
CONCURRENTS															
3.30pm - 3.40pm	REINVENT SYMPOSIUM	12	Addressing barriers and enablers to dietitians completing body composition assessments as part of routine care. Shelley Wilkinson, The University of Queensland; Barbara van der Meij, Bond University; Fiona Nave, Private; Elyssa Hughes, Queensland Health; Chloe Jobber, Mater Health	31	Dietitian Assistant Management Pathway: an innovative approach to nutritional management of aged care patients Cameron McLean, St George Hospital; Natasha Turner, St George Hospital; Helen Dragicevich, St George Hospital; Terry Stefanidis, St George Hospital; Chona Lauzon, St George Hospital; Fauzia Haque, St George Hospital; Claire Campbell, University of Wollongong	264	Towards 2050! Leading nutrition and dietetics for the future Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology	32	Survey of omega-3 & omega-6 fatty acid biomarker profiles of 2019 Australian & New Zealand dietitians conference attendees Carena Gee, Simplot Australia; Leodevico Ilag, Innovation in Life Sciences	268	Dietitians driving change through public health nutrition: A Victoria Case Study Penny Love, Deakin University; Ju-Lin Lee	154	i-Rebound After Stroke – Eat for Health: Co-designing a Mediterranean Dietary intervention alongside Stroke Survivors. Karly Zacharia, University of Newcastle; Amanda Patterson, University of Newcastle; Coralie English, University of Newcastle; Emily Ramage, University of Newcastle; Margaret Galloway, University of Newcastle; Meredith Burke, Hunter Medical Research Institute; Raymond Gray, Hunter Medical Research Institute; Lesley MacDonald-Wicks, The University of Newcastle	48	CanEAT pathway: Co-design of a cancer nutrition care pathway by patients, carers and health professionals Jenelle Loeliger, Peter MacCallum Cancer Centre; Sarah Dewar; Nicole Kiss, Deakin University; Belinda Steer, Peter MacCallum Cancer Centre; Jane Stewart, Peter MacCallum Cancer Centre

3.40pm - 3.50pm	REINVENT SYMPOSIUM	15	The quality of care provided to patients with hospital acquired malnutrition within metro south hospitals Michelle Palmer, Queensland Health	38	The delivery of patient centred dietetic care in subacute rehabilitation units: A scoping review Hannah Olufson, The Surgical, Treatment & Rehabilitation Service & The University of Queensland; Theresa Green, The Surgical, Treatment & Rehabilitation Service/University of Queensland; Adrienne Young, Royal Brisbane and Women's Hospital	264	Towards 2050! Leading nutrition and dietetics for the future Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology	53	Whole grains for cardiovascular disease? A systematic review and meta-analysis of randomised controlled trials Skye Marshall, Nutrition Research Australia; Bond University Nutrition & Dietetics Research Group; Peter Petocz; Emily Duve, Nutrition Research Australia; Kylie Abbott, Nutrition Research Australia; Tim Cassettari, Nutrition Research Australia; Michelle Blumfield, Nutrition Research Australia; Flavia Fayet-Moore, Nutrition Research Australia	268	Dietitians driving change through public health nutrition: A Victoria Case Study Penny Love, Deakin University; Ju-Lin Lee	244	Cost and affordability of a nutritionally adequate six-food elimination diet for people with eosinophilic oesophagitis Hannah Silva, Eastern Health; Katherine Sheedy, Austin Health; Judi Porter, Deakin University; Nishaat Patel, -	51	Variations in perioperative nutrition care in Upper GI cancer: findings from the Australia wide NOURISH study. Irene Deftereos, Western Health/ University of Melbourne; Justin Yeung, The University of Melbourne; Vanessa Carter, Western Health; Nicole Kiss, Deakin University; Elizabeth Isenring, Bond University
3.50pm - 4.00pm	REINVENT SYMPOSIUM	22	Assertive feeding for patients at-risk of refeeding syndrome appears safe: Time to challenge current guidelines? Kylie Matthews-Rensch, Royal Brisbane Women's Hospital; Adrienne Young, Royal Brisbane and Women's Hospital; Candice Drysdale	123	What would you like to eat? A review of meal choice in residential aged care Mikaela Wheeler, University of Queensland ; Karen Abbey, University of Queensland; Sandra Capra,	264	Towards 2050! Leading nutrition and dietetics for the future Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology	78	Reduced systolic blood pressure following high polyphenol extra virgin olive oil consumption: The OLIVAUS study Katerina Sarapis, La Trobe University- Department of Dietetics, Nutrition and Sport, School of Allied Health, Human Services and Sport; Colleen Thomas, La Trobe University- Department of Physiology, Anatomy and Microbiology, School of Life Sciences; Johanna Hoskin, La Trobe University-Department of Dietetics, Nutrition and Sport, School of Allied	268	Dietitians driving change through public health nutrition: A Victoria Case Study Penny Love, Deakin University; Ju-Lin Lee	247	What impact does obesity have on clinical outcomes for young people with Duchenne muscular dystrophy? Natassja Billich, Monash University & The Royal Children's Hospital; Justine Adams, Murdoch Children's Research Institute; Kate Carroll; Helen Truby, UQ; Maureen Evans; Monique Ryan, The Royal Children's Hospital; Zoe Davidson, Monash University	92	Is it possible to optimise multidisciplinary support through transforming models of care post-stem cell transplant? Rebecca Fichera, The Royal Brisbane and Women's Hospital; Midori Nakagaki, Royal Brisbane and Women's Hospital; Nicole Gavin, The Royal Brisbane and Women's Hospital; Therese Hayes, The Royal Brisbane and Women's Hospital; Leonie Naumann, The Royal Brisbane and Women's Hospital; Justine Brennan, The Royal Brisbane and
4.00pm - 4.10pm	REINVENT SYMPOSIUM	57	Continuing nutrition assessments during COVID -19 pandemic – a pilot exploration in kidney disease Angela Vivanti, Princess Alexandra Hospital; Marguerite Conley, Princess Alexandra Hospital; Jan Hill	226	Is Diagnosing Malnutrition using video-based Person-Generated Subjective Global Assessments Valid in the Home Rehabilitation Setting? Cassandra Lawless, Southern Adelaide Local Health Network- Rehab, Aged Care & Palliative Service; Michelle Miller, ; Jolene Thomas, Flinders University; Owen Kuhr, Aged Care; Alexander Christie, N/A	264	Towards 2050! Leading nutrition and dietetics for the future Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology	242	How should we judge edible oils? An umbrella review of nutrition composition and health effects. Scott Teasdale, Nutrition Research Australia; Skye Marshall, Nutrition Research Australia; Bond University Nutrition & Dietetics Research Group; Kylie Abbott, Nutrition Research Australia; Tim Cassettari, Nutrition Research Australia; Emily Duve, Nutrition Research Australia; Flavia Fayet-Moore, Nutrition Research Australia	268	Dietitians driving change through public health nutrition: A Victoria Case Study Penny Love, Deakin University; Ju-Lin Lee	229	The Feasibility of an Anti-Inflammatory Diet Delivered via Telemedicine in Adults with Knee Osteoarthritis. Melanie Fulton, La Trobe University	98	Cancer survivors' perspectives of dietary information provision after cancer treatment in Australia: A scoping review Lizzy Johnston, School of Exercise & Nutrition Sciences, Queensland University of Technology; Jolieke van der Pols, Queensland University of Technology; Stuart Ekberg, School of Psychology and Counselling, Queensland University of Technology; Katherine Barlow, Queensland University of Technology
4.10pm - 4.20pm	REINVENT SYMPOSIUM	108	Implementation and Evaluation of a Nursing-Led Nutrition Care Pathway for patients Undergoing a TAVI Workup Emma Whitmore, Metro North Hospital and Health Service; Jack Bell, ; Dale Murdoch, TPCH; Mary Green, TPCH; Megan Normoyle, TPCH	232	Rethinking community-based meals for older people – more than a delivered meal Madelaine Griffith, Moreland City Council	264	Towards 2050! Leading nutrition and dietetics for the future Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology	162	Incorporating whole grains in nutrient profiling algorithms: Implications on measures of food quality Katrina Kissock, University of Wollongong; Chris Seal, Newcastle University, UK; Gabriel Masset, Cereal Partners Worldwide; Heddie Mejbourn, National Food Institute, Technical University of Denmark; Eleanor Beck,	268	Dietitians driving change through public health nutrition: A Victoria Case Study Penny Love, Deakin University; Ju-Lin Lee	138	Using effective nutritional screening and referral processes for adults undergoing peritoneal dialysis. Sophie Howes, Princess Alexandra Hospital; Soraya Cunningham, Gen Physio	144	"It's natural, so it shouldn't hurt me": the dietitian's role in complementary and alternative medicine use during chemotherapy Megan Crichton, Bond University; Wolfgang Marx, Deakin University- Food & Mood Centre , IMPACT, School of Medicine; Elizabeth Isenring, Bond University; Anna Lohning, Bond University; Katelyn Strike, Bond University; Alexandra McCarthy, University of Queensland; Skye Marshall, Nutrition Research Australia; Bond University Nutrition & Dietetics Research Group
	REINVENT SYMPOSIUM	164	Incidence and Criteria used in the Diagnosis of Hospital-Acquired Malnutrition in adults: A Systematic Review	88	Exploring staff perceptions of mealtime experience at a rural hospital and its aged care facilities.	264	Towards 2050! Leading nutrition and dietetics for the future	208	A new comprehensive analytical vitamin D food composition database of Australian foods	268	Dietitians driving change through public health nutrition: A Victoria Case Study	19	Do multidisciplinary teams recommend the Mediterranean diet for coronary heart disease and type 2 diabetes?	146	Factors affecting dietary progression post cytoreductive surgery (CRS) and hyperthermic intraperitoneal chemotherapy (HIPEC) – preliminary findings

4.20pm - 4.30pm			Liliana Botero, University of Queensland; Adrienne Young, Royal Brisbane and Women's Hospital; Judy Bauer, University of Queensland/DAA; Merrilyn Banks		Brianna Free, Swinburne University of Technology; Annie-Claude Lasemillante, Swinburne University of Technology; Sara Mullery, Gippsland Southern Health Service; Kellie Nguyen, Swinburne University of Technology; Sama Saleem, Swinburne University of Technology		Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology		Eleanor Dunlop, Curtin University; Anthony James, Curtin University; Judy Cunningham, Curtin University; Nortbert Strobel, National Measurement Institute; Robyn Lucas, The Australian National University; Mairead Kiely, University College Cork; Caryl A Nowson, Deakin University; Paul Adorno, National Measurement Institute; Paul Atyeo, Australian Bureau of Statistics; Lucinda Black, Curtin University; Anna Rangan, University of Sydney		Penny Love, Deakin University; Ju-Lin Lee		Hannah Mayr, Princess Alexandra Hospital; Bond University Nutrition and Dietetics Research Group; University of Queensland; Anthony Russell, Princess Alexandra Hospital; University of Queensland; Jaimon Kelly, Griffith University; Graeme Macdonald, Department of Gastroenterology and Hepatology, University of Queensland; Princess Alexandra Hospital; Ingrid Hickman, Princess Alexandra Hospital; University of Queensland		Allysha Stibbard, St George Hospital; Jessica Ward, South Eastern Sydney Local Health District; Pons Rachel, St George Hospital; Morgan Brown, St George Hospital; Naomi Page, ISLHD; Emma Boyes, St George Hospital; Anita Needham,
4.30pm - 4.40pm		REINVENT SYMPOSIUM	187 No association between dairy consumption and first clinical diagnosis of central nervous system demyelination Rachel Dieu, Curtin University; Alison Daly, Curtin University; Robyn Lucas, The Australian National University; Yasmine Probst, ; Lucinda Black, Curtin University	64 Views and experiences of community-living older adults regarding food and drink packaging Rachel Watson, University of Wollongong; Karen Walton, ; Anne-Therese McMahon, University of Wollongong; Alison Bell, The University of Wollongong	264 Towards 2050! Leading nutrition and dietetics for the future Rachel Boak, QUT / Council of Deans of Nutrition and Dietetics, ANZ; Eleanor Beck, ; Danielle Gallegos, Queensland University Of Technology	183 Higher consumption of ultra-processed foods is associated with increased likelihood of central nervous system demyelination Adriana Mannino, Curtin University; Lucinda Black, Curtin University; Alison Daly, Curtin University; Robyn Lucas, The Australian National University	268 Dietitians driving change through public health nutrition: A Victoria Case Study Penny Love, Deakin University; Ju-Lin Lee	120 Dietary fibres as an adjunct to a low FODMAP diet in patients with irritable bowel syndrome Daniel So, Monash University; CK Yao, Alfred Health & Monash University; Jane Muir, Monash University; Peter Gibson, Monash University	181 Patient and carer experience of nutrition care throughout and beyond treatment for head and neck cancer: a qualitative longitudinal study Joanne Hiatt, Royal Brisbane and Women's Hospital; Teresa Brown, ; Adrienne Young, Royal Brisbane and Women's Hospital; Merrilyn Banks; Judith Bauer,
